Doggie Daycare/Boarding Policies

ALL Doggie Daycare/Boarding **Candidates** must be:

- Neutered or spayed
- Not aggressive or extremely dominant
- Current on required vaccinations
- Using an effective flea & tick preventative

Doggie Daycare/Boarding Application-\$10: We require an evaluation which involves about a half hour assessment where you and your Dog are interviewed and then your dog is introduced to a play group matching their needs. At this time we review your dog's vaccination records to ensure he/she is properly vaccinated. After completion of the evaluation you will be given a tour of the facility.

Spayed or Neutered: To be in daycare/boarding, ALL dogs must be spayed or neutered if they are 6 months or older.

Age: Dogs must be at least 6 months

Vaccinations: Proof of up to date vaccinations is a mandatory requirement. You must provide a copy of up to date vaccination history at the time of reservation and at least 1 week prior to boarding time period. Reservations will not be processed or confirmed until proof of vaccinations is provided. Required vaccinations are: ***Rabies, DHLPP and Bordetella.***

Health: All dogs must be on an active flea and tick prevention program. All dogs must be in good health and have not been ill with a communicable disease within the past 30 days prior to Doggie Daycare or Boarding.

Temperament: All dogs must be non-aggressive and not food or toy protective. Owners will need to certify that their pet has not harmed or shown any threatening or aggressive behavior towards any person or other dogs.
